9. these \_\_\_\_\_ of ours
13. i was \_\_\_\_\_ to listen
14. did he teach you how to \_\_\_\_\_
16. \_\_\_\_\_ somebody still loves you
18. but now you look so unhappy and i feel  
like a \_\_\_\_\_
20. did you change your \_\_\_\_\_ again
23. tuesday's \_\_\_\_\_
24. i write my song to that city \_\_\_\_\_
25. love him and he'll bring you \_\_\_\_\_
26. sister will you \_\_\_\_\_ my fevered brow
27. and everything will bring a \_\_\_\_\_ of love
28. and that old \_\_\_\_\_ wind should begin to  
blow
30. you'd be \_\_\_\_\_ there's so much to be  
done
31. when you're down and \_\_\_\_\_
34. in the \_\_\_\_\_ silent seconds i
35. til you get us back behind the \_\_\_\_\_
38. if you want to know the \_\_\_\_\_ behind the  
smile
40. there's a \_\_\_\_\_ above you
41. when he got to the \_\_\_\_\_ part
42. should grow dark and full of \_\_\_\_\_
45. think of \_\_\_\_\_ you've got
48. i think i'm gonna have a \_\_\_\_\_
49. now with a \_\_\_\_\_ host of others standing  
round me
50. keeping me out of touch with my \_\_\_\_\_
51. you're lost inside your \_\_\_\_\_
52. where they say you should not \_\_\_\_\_
53. seems like even her old \_\_\_\_\_

down

1. all the times that i \_\_\_\_\_
2. there'll be good times \_\_\_\_\_ for me and  
you
3. oh my god a \_\_\_\_\_ can move a man
4. stories my poor \_\_\_\_\_ has told me
5. she gets the house and the \_\_\_\_\_
7. can't you just feel the \_\_\_\_\_ shining
8. in my mind i'm going to \_\_\_\_\_
9. she always \_\_\_\_\_ that they were her  
friends
10. on \_\_\_\_\_ afternoon
11. \_\_\_\_\_ linger like the fog on the sea
12. the road is filled with \_\_\_\_\_ souls
15. and we're back \_\_\_\_\_ again
17. where do your \_\_\_\_\_ rainbows end
19. \_\_\_\_\_ split didn't take too long
21. saw it all as we performed our \_\_\_\_\_
22. now my \_\_\_\_\_ is touching down
27. a \_\_\_\_\_ of night jars sang some
29. and they'll wind him down with the \_\_\_\_\_
32. we have loved on \_\_\_\_\_ beaches
33. like \_\_\_\_\_ in the sky
35. are \_\_\_\_\_ guests alas
36. got a honey jar stuck on his \_\_\_\_\_
37. and i'm never gonna lose you as a \_\_\_\_\_
39. back to the \_\_\_\_\_ at pooh corner by one
42. now one of us is \_\_\_\_\_
43. on the dawn you \_\_\_\_\_ before me
44. meet you \_\_\_\_\_ way
46. i think i might have heard the \_\_\_\_\_  
calling
47. \_\_\_\_\_ all the clouds from the sky
