

Greetings:

Enclosed is the latest news from Amy and Emily. The new record, "Nomads * Indians * Saints" will be released on September 21st, which means it will be in the stores on or about September 25th. Listen for the first songs on the radio after Labor Day.

We will set up a U.S. tour soon. The first part of it will begin October and end a couple of weeks before Christmas. We will do a second leg in early 1991. Also we will tour all across Europe during the first quarter of 1991.

Here are the scheduled dates prior to the big tour:

August 11, 1990	Newport Folk Festival	Newport, RI
August 24, 1990	Finger Lakes	Canadaigua, NY
August 26, 1990	Veterans Park	Manchester, NH
August 28, 1990	Garden State	Homdel, NJ
August 29, 1990	Jones Beach	Wantaugh, NY
August 30, 1990	Tanglewood	Lennox, MA
August 31, 1990	Art Park	Lewiston, NY

The 24th through the 31st are a co-bill with Joan Baez.

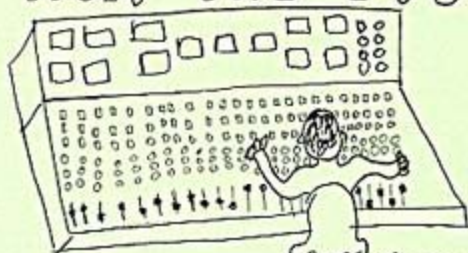

We still have songbooks of the Epic - Indigo Girls album (\$16.00 including shipping). Look for a songbook for Strange Fire in September. We also have white T-Shirts in XL (\$14.00). If you order either, mark the front of the envelope: T-SHIRTS or SONGBOOK and send it to me.

Best Wishes,

HELLO PEOPLE

WE ARE in L.A. Here is the set up ↑ Scott Litt as producer, Clif Norrell as Assist.
(and John Keane helped with preproduction in Athens, GA) We got a lot done in
Athens - we were there 2 weeks with Kenny Aronoff on drums and Sara Lee
on Bass. we laid down some cool stuff and now we're in L.A. finishing
the tracks. The album is going to be very interesting (I think)!

Tom Murphy (ATLANTA ARTIST) is painting the album cover. The record
will be called NOMADS - INDIANS - SAINTS. It will be out in September.
We will be touring with some great opening bands. We will be acoustic still,
just me and Emily - the album is still very pure also.

THANKS FOR All the great mail, we're still reading it and answering some
of the letters.

ONE MORE NOTE ABOUT THE RECORD - we did a lot of stuff live again and we'll be
doing 6 or 7 B-sides live with just me and Emily. Hope you'll like it.

P.S.
CHECK OUT SOME
BACK ISSUES OF
SPEED RACER COMICS!

GREETINGS FROM **L.A.** 

WE'RE IN THE STUDIO, MAKING  RECORD **#3**.

MY FAVORITE THING IS THE PRETZLE MACHINE (40¢)

AMY LIKES THIS VIDEO GAME I'VE NEVER SEEN BEFORE (25¢) ← BUT YOU CAN KEEP PUTTING QUARTERS IN FOR EXTENDED PLAY, SO CONCEIVABLY EVEN Ξ COULD GET THE HIGH SCORE, EVEN THOUGH MOST VIDEO GAMES GIVE ME STRESS.

- FACTS: 1. THERE ARE **11** SONGS ON THE NEW ALBUM (as of now) 2. AMY AND I JOINED A GYM WHERE PEOPLE WEAR MAKE-UP WHEN THEY WORK OUT. 3. MY FAVORITE GYM ITEM IS THE LIFECYCLE

4. AMY LIKES TO SWIM

5. WE BOTH LIKE TO RUN, BUT THE POLLUTION IS KILLER!

6. WE SPEND @ 12 HOURS IN THE STUDIO, 6 DAYS A WEEK

STUFF I LIKE TO LISTEN TO RIGHT NOW:

Mary Chapin Carpenter The Sundays

Shawn Colvin

Dwight Yoakam - I'm really into country music these days. When we did pre-production in Athens, GA, I drove home every night listening to the country music station. My favorite hits right now: "Black Coffee" - Loretta J. Dalton, "Wrong" - Weylon Jennings, "Richest Man on Earth (I Think)" - Paul Overstreet, "Runnin' with the Wind" - Eddie Rabbitt (sp?) "Guardian Angels" - Judds

Jane Child - I don't usually like pop, but I think a couple songs on this album are killer "Don't Wanna Fall in Love" "Mr. Jones"

Joni Mitchell always - never gets old Fanny - great songwriter

Favorite T.V. shows: Simpsons, In Living Colour (sp?)

CAN'T WAIT TO GET BACK ON THE ROAD. WE START TOURING THIS FALL, SO WE'RE BOUND TO BE IN YOUR TOWN SOON.

LIFE IS SHORT AND FRAGILE BUT BREATHES MIRACLES. I KEEP THINKING THAT THE MORE I OPEN MY HEART AND MIND WIDE, THE SMALLER THE WORLD BECOMES BECAUSE OF ALL ITS CONNECTIONS. I WAS JUST THINKING ABOUT THAT TODAY ON MY WAY HOME FROM THE GYM. GRACE AND PEACE TO EVERYONE OUT THERE - MAY YOU SURVIVE THE SUMMER HEAT (WE HAD 112° THE OTHER DAY HERE!)
