Greetings -

Here we are approaching the holiday season again. Time flies ! It feels good to be in a new era of politics. Hopefully things will improve for everyone! Hope to see you on the road. Goodbye Amy

Hi everyone - HAPPY AUTUMN!!!

The leaves are turning colors and falling  from the trees ! We just returned from **5** weeks in Europe. There was bread and cheese and bread and cheese  . We rode on a double decker bus

 and took a lot of boats across the seas . We opened for the NEVILLE BROTHERS for **4** weeks and did **1** week on our own which included **2** t.v. Shows . Now we're heading out for a short tour in November - opening acts include Ellen James Society, Big Fish Ensemble, and Michelle Malone - **VIPPEE!** In December, we're touring with the **BAND** again  and opening acts will be the **ROCHES** and **FERRON**. The first thing I did when I got home was go straight to the kitchen and bury myself in pots + pans . Then two days later I **VOTED** . Then I watched  the election results and, needless to say, was pleased with our new **MR. PRESIDENT**. It's time to pull together. 

Thank you for all of your support. Have a glorious change of season and we'll see you on the road!

Emily
