

Greetings:

The vacation is over. Indigos have written more than enough material for a new album. They are going to rehearse the new songs live for practice - a week as a duo and a week with Jerry Marotta and Sara Lee. Check the schedule. Also note the Honor the Earth benefit dates scheduled in conjunction with the release of the Daemon benefit album featuring many artists including Indigo Girls, Matthew Sweet, Soul Asylum, Toad the Wet Sprocket, Bonnie Raitt, Rusted Root, Keith Secola and many more. Recording sessions for the new record begin September 1st. Look for a release in Spring of 1997.

Check out the new K's Choice album called "Paradise In Me" due in stores August 20th. Indigos toured with the Belgian band last year in Europe. They write intelligent, ironic pop songs.

Best regards, *Russell*

COMRADES -

Please come join us at our practice shows. We've got a bunch of new songs... not quite sorted out... but we figure on trying them anyway.
